FIND IT FAST

Find everything you need to know to use your benefits wisely on the sdtrust.com website.

On sdtrust.com, you can:

- Choose your bargaining group and work status to get details for the benefit plans that are available to you.
- Get important contact information.
- Learn how to enroll or make a midyear change.
- Find a form.
- Log in to your carrier's website to find a doctor, check a claim status or send a secure message.
- Get healthy ideas and benefit tips.
- And, much more!

Your ID card has the numbers, too.

 Your key provider phone numbers are as close as the back of your Plan ID card. You'll get an ID card when you enroll, and your eligibility has been verified by the Trust; after that, you'll get a new card when you change Plans, and add or remove dependents. Keep your Medical and Dental ID cards each year (you can print a Vision Plan card at vsp.com).

Get the apps.

 Most of the Trust's Plan partners have an app, giving you anytime/anywhere access to your personal health plan information. You can view claims, see your ID card, send and receive secure messages, refill prescriptions, see test results, access wellness tools ... and more!

ABOUT YOUR PLAN

Your Trust. Benefits Since 1972.

The School District No. 1 Health and Welfare Trust provides you and your family with the security of knowing that you have health insurance coverage you can count on—for help with everyday bumps along the road, from managing challenging health issues, to financial protection in the event of a catastrophic illness or accident.

The security of having health coverage is a valuable benefit you receive as a Trust member. The Trust works with Portland Public Schools and your bargaining group to offer high-quality benefits that are low in cost to members and provide the option to cover their eligible dependents.

For more than four decades, the Trust has provided group health and welfare benefits to active employees and retirees of the Portland Public Schools (PPS) who are members of the Portland Association of Teachers (PAT), Portland Federation of School Professionals (PFSP), District Council of Unions (DCU), and Amalgamated Transit Union (ATU) bargaining groups.

TERMS TO KNOW

COPAY: The fixed dollar amount you pay each time you receive covered services.

COINSURANCE: The percentage you pay for covered services after any applicable deductible.

COVERED AMOUNT: The maximum amount your Plan allows for a covered service. The percentage the Plan pays is based on the covered amount, not the billed amount. The covered amount is equal to the discounted network rate charged by participating providers, or the Usual, Customary and Reasonable (UCR) rate explained at right.

COVERED SERVICES: Medically necessary health care services or course of treatment. See your Plan Booklet for details on services that your Plan excludes or limits.

DEDUCTIBLE: The annual amount you pay for covered services before the Plan pays benefits.

EXPLANATION OF BENEFITS

(EOB): For each medical claim, you'll receive an EOB statement that shows how your claim was paid. Compare this to your provider's bill to see if you are responsible for any amount.

NETWORK: Participating providers, facilities, and suppliers your Plan has contracted with to provide health care services.

OUT-OF-POCKET MAXIMUM:

When the amount you've paid in deductibles, copays and coinsurance in a Plan Year reaches a certain limit, called the Out-of-Pocket Maximum, the Plan pays 100% of covered expenses for the rest of the year.

UCR (USUAL, CUSTOMARY, AND REASONABLE) RATE:

The maximum amount your Plan allows for a covered service, based on the prevailing rate in a geographic area. When applicable, Plan payment is based on this amount, instead of the covered amount.

ELIGIBILITY

Who's Eligible for the January 1–December 31, 2025 Plan Year

You are, if:

- You're a member of the Amalgamated Transit Union (ATU) or District Council of Unions (DCU) bargaining units
- And, a regular, full-time employee of the District, as defined in the current ATU/PPS or DCU/PPS negotiated agreements, that requires contributions to the Trust

 You are full-time if you are regularly scheduled to work 30 hours or more per week.

You may also enroll these eligible dependents in the same Plan:

- Your legally married spouse or eligible domestic partner
- Your children and your legal spouse's or domestic partner's children, up to age 26, including natural children, stepchildren, legally adopted children, children for whom you are the legal guardian, foster children, and children for whom you are legally

responsible to provide health coverage under a Qualified Medical Child Support Order (QMCSO)

- Disabled children over age 26 if unmarried, incapable of self-support, dependent on you for primary support, and the disability occurred before the age of 26

Eligible dependents do not include:

- A spouse from whom you are legally separated or divorced
- Anyone on active military duty
- Children over the age of 26 who are not disabled
- Your grandchildren, nieces/nephews or other relatives who live with you (unless you have court-appointed custody)

See a complete list of qualifying life events at sdtrust.com.

Verifying your dependent's eligibility.

 The Trust works with an independent agency, Secova, to confidentially verify eligibility for each enrolled dependent. You'll be asked to securely submit documentation (such as a birth certificate, marriage certificate, domestic partner affidavit, etc.) to Secova, which will protect the privacy of your personal information. **You must submit the required documents to Secova for each covered dependent by the deadline as instructed in the verification packet, or your dependent's coverage will be terminated retroactive to the coverage effective date.**

When a dependent's eligibility ends.

 You must notify the Trust's Administrative Office when a dependent is no longer eligible. You may be required to repay any benefits paid after the dependent's eligibility ends.

GETTING STARTED

When you first become eligible

Enroll within 31 days after you're notified that you're eligible.

Eligible DCU employees cannot decline coverage. If you don't enroll, you will be enrolled in the employee-only Providence PDA PPO Medical and Trust Dental Plans.

If you are an eligible ATU employee and miss this deadline, your next opportunity to enroll will be during Open Enrollment, unless you have a major life change.

When Open Enrollment takes place

This is your annual opportunity to enroll, or change your benefit options and add or drop dependents if you're already enrolled.

Open Enrollment typically takes place in October for the next Plan Year.

When you have a qualifying life event

Qualifying life events in your family (marriage, divorce, birth, adoption, disability, etc.) or changes in employment status or other health care coverage may allow you to enroll dependents and/or make Plan changes midyear.

Here's how to enroll

1 You must enroll online via PPS Peoplesoft Employee Self-Service (ESS). We encourage you to complete online benefits enrollment and/or changes in PeopleSoft ESS while on-site. In order to access PeopleSoft ESS off-site, you must be set up with Duo 2-Step Security. For assistance, contact the IT Service Desk at support@pps.net or 503-916-3375.

2 Go to selfservice.pps.net and log in using your PPS username and password.

3 Click **Benefits Information**, then select your Open Enrollment event.

4 Make or edit your selections and add or drop dependents.

5 To decline Medical, Prescription, Dental, Vision, or Optional Life and Voluntary AD&D coverage, click **Waive Medical Plan Coverage**. (You must have proof of other Medical coverage.)

6 Verify your selections and click **Submit** to complete your enrollment.

 You must enroll dependents or make changes by the deadline. Go to sdtrust.com to learn more.

Here's when benefits begin

- **Open Enrollment** changes take effect beginning January 1 of the new Plan Year.
- **Initial Enrollment:** When you become eligible, benefits begin on the first day of the next calendar month, provided that you enroll by the deadline.

- **Qualifying Life Events:** Benefit changes take effect on the first day of the month following the event, provided that you submit your enrollment changes by the deadline.

GET THE MOST FROM YOUR BENEFITS

Understand coordination of benefit rules

 If you have other coverage (i.e., through your spouse's employer or Medicare) check with the other plan before you enroll to understand how the two plans will coordinate your benefit coverage.

Find an in-network Urgent Care clinic

 For non-life-threatening but urgent care or for care when your doctor's office is closed, find the nearest in-network Urgent Care clinic to save time and money.

In an emergency!

 In a medical emergency, where a person's life or body is in serious jeopardy, call 9-1-1 or go to the nearest Emergency Department. Care will be covered at your Plan's in-network benefit level.

Try virtual care—from wherever you are

 With virtual care, you can connect with a doctor by phone or video visit from anywhere to get care for you and your family. It could even save you time and money!

Get preventive care—at no cost to you

 Preventive services are so important to maintaining good health and detecting issues early that your Plan pays 100% of the covered amount. So, get that annual checkup and those recommended screenings, tests and immunizations!

Some services require prior authorization

 Your Plan requires a medical review of certain procedures (inpatient and outpatient surgery, for example) to help you make informed decisions about your medical care and use your benefits cost effectively. Your in-network provider will obtain prior authorization when required. If you use an out-of-network provider, it is highly recommended that you get prior authorization from your Plan before you receive services, whenever possible.

Make sure your eligible out-of-area dependents are covered

 If you have eligible dependents who are temporarily out of the area, be sure you take the necessary steps each year to ensure that they are enrolled in dependent out-of-area coverage.

Choose generics

 Did you know that, by law, generic drugs are just as safe and effective as their brand-name counterparts? And, that the average cost of a generic drug is 80% less than the brand-name version? Whenever possible, choose generics!

Use the mail-order program for ongoing meds

 Skip the monthly trip to the drugstore by using your Plan's mail-order option to buy prescriptions that you take every day. You save with a lower copay for a 90-day supply (compared to a monthly drugstore refill) and enjoy the convenience of having your medication delivered right to your mailbox.

Request a treatment estimate

 If you have dental coverage and need care beyond basic services, ask your dentist to submit a treatment plan so you can get a summary of what the Plan covers and your estimated costs.

To learn more, contact your Plan (see page 2).
