Medical Plan

Regence BlueCross BlueShield of Oregon is an Independent Licensee of the Blue Cross and Blue Shield Association

Regence BlueCross BlueShield of Oregon

Introduction

Welcome to participation in the self-funded group health plan (hereafter referred to as "Plan") provided for You by the Trust. The Trust has chosen Regence BlueCross BlueShield of Oregon to administer claims for Your group health plan. Throughout this Booklet, the Trust may be referred to as the "Plan Sponsor."

EMPLOYER PAID BENEFITS

Your Plan is an employer-paid benefits plan administered by Regence BlueCross BlueShield of Oregon (usually referred to as the "Claims Administrator" in this Booklet. This means that the Trust, not Regence BlueCross BlueShield of Oregon, pays for Your covered medical services and supplies. Your claims will be paid only after the Trust provides Regence BlueCross BlueShield of Oregon with the funds to pay Your benefits and pay all other charges due under the Plan. The Claims Administrator provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Because of their extensive experience and reputation of service, Regence BlueCross BlueShield of Oregon has been chosen as the Claims Administrator of Your Plan.

The following pages are the Booklet, the written description of the terms and benefits of coverage available under the Plan. This Booklet describes benefits effective February 1, 2016, or the date after that on which Your coverage became effective. This Booklet replaces any plan description, Booklet or certificate previously issued by Regence BlueCross BlueShield of Oregon and makes it void. Any document or plan description related to the administration of benefits under the Plan developed by the Trust supersedes conflicting information contained in this Booklet.

As You read this Booklet, please keep in mind that references to "You" and "Your" refer to both the Trust member and Beneficiaries (except that in the COBRA Continuation and Other Continuation Options sections, the terms "You" and "Your" mean the Trust member only). The term "Agreement" refers to the administrative services contract between the Plan Sponsor and the Claims Administrator. Other terms are defined in the Definitions Section at the back of this Booklet or where they are first used and are designated by the first letter being capitalized.

This employee benefit plan may be governed by the Employee Retirement Income Security Act (ERISA). Throughout the Booklet, references to "ERISA" will apply only if the Plan is part of an employee welfare benefit plan regulated under ERISA.

Federal law mandates coverage for certain breast reconstruction services in connection with a covered mastectomy. See Women's Health and Cancer Rights in the General Provisions Section in this Booklet for details.

GRANDFATHERED

The Plan believes this coverage is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (PPACA). As permitted by PPACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that Your plan may not include certain consumer protections of PPACA that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in PPACA, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator. For ERISA plans, You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1 (866) 444-3272 or www.dol.gov/ebsa/healthreform. This Web site has a table summarizing which protections do and do not apply to grandfathered health plans.

Statement of Rights Under the Newborns' and Mothers' Health Protection Act: Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by

cesarean section. However, the plan or issuer may pay for a shorter stay if the attending Provider (e.g., Your Physician, nurse midwife, or Physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a Physician or other health care provider obtain preauthorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain Providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain preauthorization. For information on preauthorization, contact Your Plan Administrator.

Risk-Sharing Arrangements with Providers

This Plan includes "risk-sharing" arrangements with Physicians who provide services to the Claimants of this Plan. Under a risk-sharing arrangement, the Providers that are responsible for delivering health care services are subject to some financial risk or reward for the services they deliver. Additional information on the Claim Administrator's risk-sharing arrangements is available upon request by calling Customer Service at the number listed below.

Using Your Booklet

YOUR PARTNER IN HEALTH CARE

This Plan, administered by Regence, provides You with great benefits that are quickly accessible and easy to understand, thanks to broad access to Providers and innovative tools. With this health care coverage, You will discover more personal freedom to make informed health care decisions, as well as the assistance You need to navigate the health care system.

YOU SELECT YOUR PROVIDER AND CONTROL YOUR OUT-OF-POCKET EXPENSES

Your Plan gives You broad access to Providers and allows You to control Your out-of-pocket expenses, such as Coinsurance, for each Covered Service. Here's how it works - You control Your out-of-pocket expenses by choosing Your Provider under three choices called: "Category 1," "Category 2" and "Category 3."

- **Category 1.** You choose to see a preferred Provider and save the most in Your out-of-pocket expenses. Choosing this category means You will not be billed for balances beyond any Deductible and/or Coinsurance for Covered Services.
- **Category 2.** You choose to see a participating Provider and Your out-of-pocket expenses will generally be higher than if You choose Category 1 because larger discounts with preferred Providers may be negotiated that will result in lower out-of-pocket amounts for You. Choosing this category means You will not be billed for balances beyond any Deductible and/or Coinsurance for Covered Services.
- **Category 3.** You choose to see a Provider that does not have a participating contract with the Claims Administrator and Your out-of-pocket expenses will generally be higher than Category 1. Also, choosing this category means You may be billed for balances beyond any Deductible and/or Coinsurance. This is sometimes referred to as balance billing.

For each benefit in this Booklet, the Provider You may choose and Your payment amount for each Category is indicated. Categories 1, 2 and 3 are also in the Definitions Section of this Booklet. You can go to **www.Regence.com** for further Provider network information.

ADDITIONAL PARTICIPATION ADVANTAGES

Your Plan offers You access to valuable services. The advantages of Regence involvement as the Claims Administrator include admission to personalized health care planning information, health-related events and innovative health-decision tools, as well as a team dedicated to Your personal health care needs. You also have access to **www.Regence.com**, an interactive environment that can help You navigate Your way through health care decisions. **THESE ADDITIONAL VALUABLE SERVICES ARE A COMPLEMENT TO THE GROUP HEALTH PLAN, BUT ARE NOT INSURANCE.**

Understanding Your Benefits

In this section, You will discover information to help You understand what is meant by Your Maximum Benefits, Deductibles, (if any), Coinsurance and Maximum Coinsurance. Other terms are defined in the Definitions Section at the back of this Booklet or where they are first used and are designated by the first letter being capitalized.

While this Understanding Your Benefits Section defines these types of cost-sharing elements, You need to refer to the Medical Benefits Section to see exactly how they are applied and to which benefits they apply.

MAXIMUM BENEFITS

Some benefits for Covered Services may have a specific Maximum Benefit. For those Covered Services, benefits will be provided until the specified Maximum Benefit (which may be a number of days, visits or services, a dollar amount or a specified time period) has been reached. Allowed Amounts for Covered Services provided are also applied toward any Deductible and against any specific Maximum Benefit that is expressed in this Booklet as a number of days, visits or services. Refer to the Medical Benefits Section in this Booklet to determine if a Covered Service has a specific Maximum Benefit.

MAXIMUM COINSURANCE

Claimants can meet the Maximum Coinsurance by payments of Coinsurance for all categories as specifically indicated in the Medical Benefits Section. Any amounts You pay for non-Covered Services, Deductible, Copayments or amounts in excess of the Allowed Amount do not apply toward the Maximum Coinsurance. You will continue to be responsible for amounts that do not apply toward the Maximum Coinsurance, even after You reach the Maximum Coinsurance amounts of the Plan.

Once You reach the Maximum Coinsurance, benefits subject to the Maximum Coinsurance will be paid at 100 percent of the Allowed Amount for the remainder of the Calendar Year. The Coinsurance for some benefits of the Plan does not change to a higher payment level or apply to the Maximum Coinsurance. Those exceptions are specifically noted in the Medical Benefits Section of this Booklet.

PERCENTAGE PAID UNDER THE PLAN (COINSURANCE)

Once You have satisfied any applicable Deductible, the Plan pays a percentage of the Allowed Amount for Covered Services You receive, up to any Maximum Benefit. When payment is less than 100 percent, You pay the remaining percentage (this is Your Coinsurance). Your Coinsurance will be based upon the lesser of the billed charges or the Allowed Amount. The percentage the Plan pays varies, depending on the kind of service or supply You received and who rendered it.

The Plan does not reimburse Providers for charges above the Allowed Amount. However, a Preferred or Participating Provider will not charge You for any balances for Covered Services beyond Your Deductible and/or Coinsurance amount if You choose Category 1 or Category 2. Nonparticipating Providers, however, may bill You for any balances over the Plan payment level in addition to any Deductible and/or Coinsurance amount if You choose Category 3. See the Definitions Section for descriptions of Providers.

DEDUCTIBLES

The Plan will begin to pay benefits for Covered Services in any Calendar Year only after a Claimant satisfies the Calendar Year Deductible. A Claimant satisfies the Deductible by incurring a specific amount of expense for Covered Services during the Calendar Year for which the Allowed Amounts total the Deductible.

The Family Calendar Year Deductible is satisfied when two or more covered Family Members' Allowed Amounts for Covered Services for that Calendar Year total and meet the Family Deductible amount. One Claimant may not contribute more than the individual Deductible amount.

The Plan does not pay for services applied toward the Deductible. Refer to the Medical Benefits Section to see if a particular service is subject to the Deductible. Any amounts You pay for non-Covered Services or amounts in excess of the Allowed Amount do not count toward the Deductible.

In addition, if Covered Services are incurred during the last three months of a Calendar Year and are applied toward the Deductible for that year, then any amount for Covered Services applied toward such Deductible during the last three months will be carried forward and applied toward the Deductible for the following year.

HOW CALENDAR YEAR BENEFITS RENEW

Many provisions of the Plan (for example, Deductibles, Maximum Coinsurance, and certain benefit maximums) are calculated on a Calendar Year basis. Each January 1, those Calendar Year maximums begin again.

Some benefits of the Plan have a separate Maximum Benefit based upon a Claimant's Lifetime and do not renew every Calendar Year. Those exceptions are specifically noted in the benefits sections of this Booklet.

Medical Benefits

In this section, You will learn about Your health plan's benefits and how Your coverage pays for Covered Services. There are no referrals required before You can use any of the benefits of this coverage, including women's health care services. For Your ease in finding the information regarding benefits most important to You, The Plan has listed these benefits alphabetically, with the exception of the Preventive Care, Office Visits and Other Professional Services benefits.

All covered benefits are subject to the limitations, exclusions and provisions of this plan. To be covered, medical services and supplies must be Medically Necessary for the treatment of an Illness or Injury (except for any covered preventive care). Also, a Provider practicing within the scope of his or her license must render the service. Please see the Definitions Section in the back of this Booklet for descriptions of Medically Necessary and of the kinds of Providers who deliver Covered Services.

A Health Intervention may be medically indicated or otherwise be Medically Necessary, yet not be a Covered Service under the Plan.

If benefits under the Plan change while You are in the Hospital (or any other facility as an inpatient), coverage will be provided based upon the benefit in effect when the stay began.

- to treat a congenital anomaly;
- to restore a physical bodily function lost as a result of Injury or Illness; or
- related to breast reconstruction following a Medically Necessary Mastectomy, to the extent required by law. For more information on breast reconstruction, see the Women's Health and Cancer Rights provision.

Reconstructive means services, procedures or surgery performed on abnormal structures of the body, caused by congenital anomalies, developmental abnormalities, trauma, infection, tumors or disease. It is performed to restore function, but, in the case of significant malformation, is also done to approximate a normal appearance.

Services and supplies incurred before Your Effective Date under the Plan or after Your termination under the Plan. However, when the Agreement is terminated and coverage for all Claimants under the Plan is immediately replaced by another group agreement and You are in the Hospital on the day this coverage ends, the Plan will continue to provide benefits for that hospitalization until Your discharge from the Hospital or Your benefits have been exhausted, whichever comes first. (This exception does not apply to a Skilled Nursing Facility or any other type of facility, except a Hospital.)

Fees, Taxes, Interest

Charges for shipping and handling, postage, interest or finance charges that a Provider might bill. The Plan also does not cover excise, sales or other taxes; surcharges; tariffs; duties; assessments; or other similar charges whether made by federal, state or local government or by another entity, unless required by law.

Government Programs

Benefits that are covered, or would be covered in the absence of this Plan, by any federal, state or government program, except for facilities that contract with the Claims Administrator and except as required by law, such as for cases of medical emergency or for coverage provided by Medicaid. Expenses from government facilities outside the service area are not covered (except for facilities contracting with the local Blue Cross and/or Blue Shield plan or as required by law for emergency services).

Motor Vehicle Coverage and Other Available Insurance

Expenses for services and supplies that are payable under any automobile medical, personal injury protection ("PIP"), automobile no-fault, underinsured or uninsured motorist coverage, homeowner's coverage, commercial premises coverage, excess coverage or similar contract or insurance. This applies when the contract or insurance is either issued to, or makes benefits available to a Claimant, whether or not the Claimant makes a claim under such coverage. Further, the Claimant is responsible for any cost-sharing required by the other insurance coverage, unless applicable state law requires otherwise. Once

benefits under such contract or insurance are exhausted or considered to no longer be Injury-related under the no-fault provisions of the contract, benefits will be provided according to this Booklet.

Non-Direct Patient Care

Services that are not direct patient care, including charges for:

- appointments scheduled and not kept ("missed appointments");
- preparing or duplicating medical reports and chart notes;
- preparing itemized bills or claim forms (even at the Claims Administrator's request); and
- visits or consultations that are not in person, except as provided under the Telehealth and Telemedicine benefits.

Non-Duplication of Medicare

When, by law, this coverage would not be primary to Medicare had You properly enrolled in Medicare when first eligible, benefits will be reduced to the extent that those benefits are or would have been provided by any part of Medicare (for example, Part A, B, C or D), regardless of whether or not You choose to accept those benefits. In addition, if You are eligible for Medicare, You or Your Provider will not be paid for any part of expenses incurred if Your Provider has opted out of Medicare participation.

- Your spouse's or Eligible Domestic Partner's parents, parents' spouses or Eligible Domestic Partners, siblings and half-siblings;
- Your child's or stepchild's spouse or Eligible Domestic Partner; and
- any other of Your relatives by blood, marriage or who shares a residence with You.

When You have filed a claim with workers' compensation and Your work-related Injury or Illness has been accepted by workers' compensation, the Plan does not cover any services and supplies arising out of that accepted work-related Injury or Illness. Subject to applicable state or federal workers' compensation law, the Plan does not cover services and supplies received for work-related Injuries or Illnesses where You and Your Beneficiaries fail to file a claim for workers' compensation benefits. The only exception is if You and Your Beneficiaries are exempt from state or federal workers' compensation law.

Claims Administration

This section explains a variety of matters related to administering benefits and/or claims, including situations that may arise when Your health care expenses are the responsibility of a source other than the Plan.

PREAUTHORIZATION

Contracted Providers may be required to obtain preauthorization in advance for certain services provided to You. You will not be penalized if the contracted Provider does not obtain those approvals in advance and the service is determined to be not covered under this Plan. The Plan does not require prior authorization of non-contracted Providers' services. That is, neither You nor Your non-contracted Provider is required to obtain prior authorization of any service or supply in order to be eligible for coverage of that service or supply and a claim for a non-contracted Provider's service or supply that is otherwise covered under the Plan will not be denied solely for lack of prior authorization. However, benefits will be paid for services and supplies covered under the Plan only if all terms and conditions of the Plan are met, including (unless specified to the contrary) Medical Necessity. You may request that a non-contracted Provider preauthorize services on Your behalf to determine Medical Necessity prior to the services being rendered.

If a service or supply (from a contracted or non-contracted Provider) is preauthorized, the Plan is bound to cover it as follows:

- If Your coverage terminates within five business days of the preauthorization date, the Plan will cover the preauthorized service or supply if the service or supply is actually incurred within those five business days regardless of the termination date unless the Plan is aware the coverage is about to terminate and the Plan discloses this information in its written preauthorization. In that case, the Plan will only cover the preauthorized service or supply if incurred before termination.
- If Your coverage terminates later than five business days after the preauthorization date, but before the end of 30 calendar days, the Plan will not cover services incurred after termination even if the services were preauthorized.
- If coverage remains in effect for at least 30 calendar days after the preauthorization, the Plan will cover the preauthorized service or supply if incurred within the 30 calendar days.

When counting the days described above, day one will begin on the calendar or business day after the Plan preauthorizes the service or supply.

PLAN IDENTIFICATION CARD

When Trust members enroll in the Plan, they will receive Plan identification cards. The identification card will include important information such as the Trust member's identification number, group number and name.

It is important to keep Your Plan identification card with You at all times. Be sure to present it to Your Provider before receiving care.

If You lose Your card, or if it gets destroyed, You can get a new one by simply calling the Claims Administrator's Customer Service department at: 1 (866) 240-9580. You can also view or print an image of Your Plan identification card by visiting the Claims Administrator's Web site at www.Regence.com on Your PC or mobile device. If the Agreement terminates, Your Plan identification card will no longer be valid.

SUBMISSION OF CLAIMS AND REIMBURSEMENT

When claims reimbursement is due, the Claims Administrator will decide whether to pay You, the Provider or You and the Provider jointly. Benefit payments may be made for a child covered by a legal qualified medical child support order (QMCSO) directly to the custodial parent or legal guardian of such child. If a person entitled to receive payment under the Plan has died, is a minor or is incompetent, benefits under the Plan may be paid up to \$1,000 to a relative by blood or marriage of that person when it is believed that person is equitably entitled to the payment. A payment made in good faith under this provision will fully discharge the Plan to the extent of the payment.

Claims for the purchase of Durable Medical Equipment will be submitted to the Blue plan in the locale in which the equipment was received. Durable Medical Equipment is received where it is purchased at retail or, if shipped, where the Durable Medical Equipment is shipped to. Please refer to Your Blue plan network where supplies were received for coverage of shipped Durable Medical Equipment.

Claims for independent clinical laboratory services will be submitted to the Blue plan in the locale in which the specimen was drawn or otherwise acquired, regardless of where the examination of the specimen occurred. Please refer to Your Blue plan network where the specimen was drawn for coverage of independent clinical laboratory services.

You will be responsible for the total billed charges for benefits in excess of Maximum Benefits, if any, and for charges for any other service or supply not covered under this Plan, regardless of the Provider rendering such service or supply.

If the Claims Administrator receives an inquiry regarding a properly submitted claim and believes that You expect a response to that inquiry, they will respond to the inquiry within 30 days of the date they first received it.

Calendar Year and Plan Year

The Deductible and Maximum Coinsurance provisions are calculated on a Calendar Year basis. The Agreement is renewed, with or without changes, each Plan Year. A Plan Year is the 12-month period following either the Agreement's original effective date or subsequent renewal date. A Plan Year may or may not be the same as a Calendar Year. When the Agreement is renewed on other than January 1 of any year, any Deductible or Maximum Coinsurance amounts You satisfied before the date the Agreement renews will be carried over into the next Plan Year. If the Deductible and/or Maximum Coinsurance amount increases during the Calendar Year, You will need to meet the new requirement minus any amount You already satisfied under the previous Agreement during that same Calendar Year.

Timely Filing of Claims

Written proof of loss must be received within one year after the date of service for which a claim is made. If it can be shown that it was not reasonably possible to furnish such proof and that such proof was furnished as soon as reasonably possible, failure to furnish proof within the time required will not invalidate or reduce any claim. A claim that is not filed in a timely manner will be denied unless You can reasonably demonstrate that the claim could not have been filed in a timely manner. You may, however, appeal the denial in accordance with the Appeal process to demonstrate that the claim could not have been filed in a timely manner.

Freedom of Choice of Provider

Nothing contained in the Booklet is designed to restrict You in selecting the Provider of Your choice for care or treatment of an Illness or Injury.

Category 1 and Category 2 Claims

You must present Your Plan identification card when obtaining Covered Services from a preferred or participating Provider. You must also furnish any additional information requested. The Provider will furnish the Claims Administrator with the forms and information needed to process Your claim.

Category 1 and Category 2 Reimbursement

A preferred or participating Provider will be paid directly for Covered Services. These Providers have agreed to accept the Allowed Amount as full compensation for Covered Services. Your share of the Allowed Amount is any amount You must pay due to Deductible and/or Coinsurance. These Providers may require You to pay Your share at the time You receive care or treatment.

Category 3 Claims

In order for Covered Services to be paid, You or the nonparticipating Provider must first send the Claims Administrator a claim. Be sure the claim is complete and includes the following information:

- an itemized description of the services given and the charges for them;
- the date treatment was given;

- the diagnosis; and
- the patient's name and the group and identification numbers.

If the treatment is for an Injury, include a statement explaining the date, time, place and circumstances of the Injury when You send the claim.

Category 3 Reimbursement

In most cases, You will be paid directly for Covered Services provided by a nonparticipating Provider.

Nonparticipating Providers have not agreed to accept the Allowed Amount as full compensation for Covered Services. So, You are responsible for paying any difference between the amount billed by the nonparticipating Provider and the Allowed Amount in addition to any amount You must pay due to Deductible and/or Coinsurance. For nonparticipating Providers, the Allowed Amount may be based upon the billed charges for some services, as determined by the Claims Administrator or as otherwise required by law.

Reimbursement Examples by Category

Here is an example of how Your selection of Category 1, 2 or 3 affects payment to Providers and Your cost sharing amount. For purposes of this example, let's assume the Plan pays 80 percent of the Allowed Amount for Category 1 and 60 percent of the Allowed Amount for Categories 2 and 3. The benefit table from the Medical Benefits Section (or other benefits section) would appear as follows:

Category: 1	Category: 2	Category: 3
Provider: Preferred	Provider: Participating	Provider: Nonparticipating
Payment: After Deductible, the Plan pays 80% and You pay 20% of the Allowed Amount. Your 20% payment will be applied toward the Maximum Coinsurance.	Payment: After Deductible, the Plan pays 60% and You pay 40% of the Allowed Amount. Your 40% payment will be applied toward the Maximum Coinsurance.	Payment: After Deductible, the Plan pays 60% of the Allowed Amount and You pay balance of billed charges. Your 40% payment of the Allowed Amount will be applied toward the Maximum Coinsurance.

Now, let's assume that the Provider's charge for a service is \$5,000 and the Allowed Amount for that charge is \$4,000 for Categories 1, 2 and 3. Finally, let's assume that You have met the Deductible and that You have not met the Maximum Coinsurance. Here's how that Covered Service would be paid:

- Category 1: the Plan would pay 80 percent of the Allowed Amount and You would pay 20 percent of the Allowed Amount, as follows:
 - Amount preferred Provider must "write-off" (that is, cannot charge You for): \$1,000
 - Amount the Plan pays (80% of the \$4,000 Allowed Amount): \$3,200
 - **Amount You pay** (20% of the \$4,000 Allowed Amount): **\$800**
 - Total: \$5,000
- Category 2: the Plan would pay 60 percent of the Allowed Amount and You would pay 40 percent of the Allowed Amount, as follows:
 - Amount participating Provider must "write-off" (that is, cannot charge You for): \$1,000
 - Amount the Plan pays (60% of the \$4,000 Allowed Amount): \$2,400
 - **Amount You pay** (40% of the \$4,000 Allowed Amount): **\$1,600**
 - Total: \$5,000
- Category 3: the Plan would pay 60 percent of the Allowed Amount. Because the nonparticipating Provider does not accept the Allowed Amount, You would pay 40 percent of the Allowed Amount, plus, the difference between the nonparticipating Provider's billed charges and the Allowed Amount, as follows:
 - Amount the Plan pays (60% of the \$4,000 Allowed Amount): \$2,400
 - **Amount You pay** (40% of the \$4,000 Allowed Amount and the

\$1,000 difference between the billed charges and the Allowed Amount):	\$2,600
- Total:	\$5,000

The actual benefits of the Plan may vary, so please read the benefits sections thoroughly to determine how Your benefits are paid. For example, as explained in the Definitions Section, the Allowed Amount may vary for a Covered Service depending upon Your selected Provider.

Ambulance Claims

When You or Your Provider forwards a claim for ambulance services to the Claims Administrator, it must show where the patient was picked up and where he or she was taken. It should also show the date of service, the patient's name and the patient's group and identification numbers. Payment for Covered Services will be paid directly to the ambulance service Provider.

Claims Determinations

Within 30 days of the Claims Administrator's receipt of a claim, You will be notified of the action taken on it. However, this 30-day period may be extended by an additional 15 days in the following situations:

- When action cannot be taken on the claim due to circumstances beyond the Claims Administrator's control, they will notify You within the initial 30-day period that an extension is necessary. This notification includes an explanation of why the extension is necessary and when the Claims Administrator expects to act on the claim.
- When action cannot be taken on the claim due to lack of information, the Claims Administrator will notify You within the initial 30-day period that the extension is necessary. This notification includes a specific description of the additional information needed and an explanation of why it is needed.

If the Claims Administrator seeks additional information from You, You will be allowed at least 45 days to provide the additional information. If the Claims Administrator does not receive the requested information to process the claim within the time allowed, the claim will be denied.

Claims Processing Report

You will be told how a claim has been acted on via a form called a claims processing report. Claims under the Plan may be denied or accumulated toward satisfying any Deductible. If all or part of a claim is denied, the reason for the denial will be stated on the claims processing report. The claims processing report will also include instructions for filing an Appeal if You disagree with the action.

OUT-OF-AREA SERVICES

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Programs." Whenever You obtain health care services outside of the Claims Administrator's service area the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include negotiated National Account arrangements available between the Claims Administrator and other Blue Cross and Blue Shield Licensees.

Typically, when accessing care outside the Claims Administrator's service area, You will obtain care from health care Providers that have a contractual agreement (i.e., are "participating Providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, You may obtain care from nonparticipating Providers. The Claims Administrator's payment practices in both instances are described below.

BlueCard Program

Under the BlueCard Program, when You access Covered Services within the geographic area served by a Host Blue, the Claims Administrator will remain responsible for fulfilling contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating Providers.

Whenever You access Covered Services outside the Claims Administrator's service area, and the claim is processed through the BlueCard Program, the amount You pay for Covered Services is calculated based on the lower of:

- The billed covered charges for Your Covered Services; or
- The negotiated price that the Host Blue makes available to the Claims Administrator.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to Your health care Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your health care Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of health care Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price the Claims Administrator uses for Your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to Your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, the Claims Administrator would then calculate Your liability for any Covered Services according to applicable law.

Negotiated National Account Arrangements

As an alternative to the BlueCard Program, Your claims for Covered Services may be processed through a negotiated National Account arrangement with a Host Blue.

The amount You pay for Covered Services under this arrangement will be calculated based on the lower of either billed covered charges or negotiated price (refer to the description of negotiated price above) made available to the Claims Administrator by the Host Blue.

Nonparticipating Providers Outside the Claims Administrator's Service Area

- **Member Liability Calculation.** When Covered Services are provided outside of the Claims Administrator's service area, by nonparticipating Providers, the amount You pay for such services will generally be based on either the Host Blue's nonparticipating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be liable for the difference between the amount that the nonparticipating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.
- **Exceptions.** In certain situations, the Claims Administrator may use other payment bases, such as billed covered charges, the payment the Claims Administrator would make if the health care services had been obtained within the Claims Administrator's service area, or a special negotiated payment, as permitted under Inter-Plan Programs Policies, to determine the amount the Claims Administrator will pay for services rendered by nonparticipating Providers. In these situations, You may be liable for the difference between the amount that the nonparticipating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.

BLUECARD WORLDWIDE®

BlueCard Worldwide coverage is also accessible to You. With BlueCard Worldwide, You have access to inpatient and outpatient Hospital care and Physician services when You're traveling or living outside the United States or any other areas covered by the domestic BlueCard Program, as well as medical assistance and claims support services.

When You need health care outside of the United States or its territories, follow these simple steps:

- Always carry Your current Plan identification card.
- If You need emergency medical care outside the United States, go to the nearest Hospital.
- If You are admitted, call the BlueCard Worldwide Service Center at 1 (800) 810-BLUE (2583) or call collect at 1 (804) 673-1177.
- For non-emergency medical care, call the BlueCard Worldwide Service Center. The Service Center will facilitate hospitalization if necessary at a BlueCard Worldwide Hospital or make an appointment

with a Physician. BlueCard Worldwide Service Center staff are available to assist You 24 hours a day, 7 days a week.

- You will only be responsible for out-of-pocket expenses such as any applicable Deductible, copayment, Coinsurance and non-covered services for Your inpatient care. For outpatient, Hospital care or Physician services, You will be responsible for paying the Hospital or Physician at the time of service and then must complete an international claim form and send it to the BlueCard Worldwide Service Center for reimbursement of Covered Services.

You can obtain an international claim form and find additional information about the BlueCard Worldwide program at www.bcbs.com.

NONASSIGNMENT

Only You are entitled to benefits under the Plan. These benefits are not assignable or transferable to anyone else and You (or a custodial parent or the state Medicaid agency, if applicable) may not delegate, in full or in part, benefits or payments to any person, corporation or entity. Any attempted assignment, transfer or delegation of benefits will be considered null and void and will not be binding on the Plan. You may not assign, transfer or delegate any right of representation or collection other than to legal counsel directly authorized by You on a case-by-case basis.

CLAIMS RECOVERY

If a benefit to which You were not entitled is paid under the Plan, or if a person who is not eligible for benefits at all is paid under the Plan, the Plan reserves the right to recover the payment from the person paid or anyone else who benefited from it, including a Provider of services. The Plan's right to recovery includes the right to deduct the mistakenly paid amount from future benefits that would have been provided the Trust member or any of his or her Beneficiaries, even if the mistaken payment was not made on that person's behalf.

The Claims Administrator regularly works to identify and recover claims payments that should not have been made (for example, claims that are the responsibility of another, duplicates, errors, fraudulent claims, etc.). All recovered amounts will be credited to the Plan.

This Claims Recovery provision in no way reduces the Plan's right to reimbursement or subrogation. Refer to the other-party liability provision in the Claims Administration Section for additional information.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION AND MEDICAL RECORDS

It is important to understand that Your personal health information may be requested or disclosed by the Claims Administrator. This information will be used for the purpose of facilitating health care treatment, payment of claims or business operations necessary to administer health care benefits; or as required by law.

The information requested or disclosed may be related to treatment or services received from:

- an insurance carrier or group health plan;
- any other institution providing care, treatment, consultation, pharmaceuticals or supplies;
- a clinic, Hospital, long-term care or other medical facility; or
- a Physician, dentist, Pharmacist or other physical or behavioral health care Practitioner.

Health information requested or disclosed by the Claims Administrator may include, but is not limited to:

- billing statements;
- claim records;
- correspondence;
- dental records;
- diagnostic imaging reports;
- Hospital records (including nursing records and progress notes);
- laboratory reports; and
- medical records.

The Claims Administrator is required by law to protect Your personal health information, and must obtain prior written authorization from You to release information not related to routine health insurance operations. A Notice of Privacy Practices is available by calling the Claims Administrator's Customer Service department or visiting their Web site **www.Regence.com**.

You have the right to request, inspect and amend any records that the Claims Administrator has that contain Your personal health information. Please contact the Claims Administrator's Customer Service department to make this request.

NOTE: This provision does not apply to information regarding HIV/AIDS, psychotherapy notes, alcohol/drug services and genetic testing. A specific authorization will be obtained from You in order for the Claims Administrator to receive information related to these health conditions.

LIMITATIONS ON LIABILITY

In all cases, You have the exclusive right to choose a health care Provider. Neither the Plan nor the Claims Administrator is responsible for the quality of health care You receive, since all those who provide care do so as independent contractors. Since neither the Plan nor the Claims Administrator provides any health care services, neither can be held liable for any claim or damages connected with Injuries You suffer while receiving health services or supplies provided by professionals who are neither employees nor agents of the Plan or the Claims Administrator.

Under state law, Providers contracting with a health care service contractor like Regence BlueCross BlueShield of Oregon to provide services to its Claimants agree to look only to the health care service contractor for payment of services that are covered by the Plan and may not bill You if the health care service contractor fails to pay the Provider for whatever reason. The Provider may bill You for applicable Deductible, Coinsurance and for non-Covered Services, except as may be restricted in the Provider contract.

In addition, the Claims Administrator will not be liable to any person or entity for the inability or failure to procure or provide the benefits of the Plan by reason of epidemic, disaster or other cause or condition beyond the Claims Administrator's control.

RIGHT OF REIMBURSEMENT AND SUBROGATION RECOVERY

Advancement of Benefits

If You have a potential right of recovery for Illnesses or Injuries from a third-party who may have legal responsibility or from any other source, benefits may be advanced pending the resolution of a claim to the right of recovery if all the following conditions apply:

- By accepting or claiming benefits, You agree that the Plan is entitled to reimbursement of the full amount of benefits paid out of any settlement or recovery from any source. This includes any judgment, settlement, disputed claim settlement, uninsured motorist payment or any other recovery related to the Injury or Illness for which benefits under the Plan have been provided.
- In addition to the Plan's right of reimbursement, the Claims Administrator may choose instead to achieve the Plan's rights through subrogation. The Claims Administrator is authorized, but not obligated, to recover any benefits paid under the Plan directly from any party liable to You, upon mailing of a written notice to the potential payer, to You or to Your representative.
- The Plan's rights apply without regard to the source of payment for medical expenses, whether from the proceeds of any settlement, arbitration award or judgment or other characterization of the recovery by the Claimant and/or any third-party or the recovery source. The Plan is entitled to reimbursement from the first dollars received from any recovery. This applies regardless of whether:
 - the third-party or third-party's insurer admits liability;
 - the health care expenses are itemized or expressly excluded in the recovery; or
 - the recovery includes any amount (in whole or in part) for services, supplies or accommodations covered under the Plan.
- Reimbursement or subrogation under the Plan will not be reduced due to Your not being made whole.

- You may be required to sign and deliver all legal papers and take any other actions requested to secure the Plan's rights (including an assignment of rights to pursue Your claim if You fail to pursue Your claim of recovery from the third-party or other source). If You are asked to sign a trust agreement or other document to reimburse the Plan from the proceeds of any recovery, You will be required to do so as a condition to advancement of any benefits.
- You must agree that nothing will be done to prejudice the Plan's rights and that You will cooperate fully with the Claims Administrator, including signing any documents within the required time and providing prompt notice of any settlement or other recovery. You must notify the Claims Administrator of any facts that may impact the right to reimbursement or subrogation, including, but not necessarily limited to, the following:
 - the filing of a lawsuit;
 - the making of a claim against any third-party;
 - scheduling of settlement negotiations (including, but not necessarily limited to, a minimum of 21 days advance notice of the date, time, location and participants to be involved in any settlement conferences or mediations); or
 - intent of a third-party to make payment of any kind to Your benefit or on Your behalf and that in any manner relates to the Injury or Illness that gives rise to the Plan's right of reimbursement or subrogation (notification is required a minimum of five business days before the settlement).
- You and/or Your agent or attorney must agree to keep segregated in its own account any recovery or payment of any kind to Your benefit or on Your behalf that in any manner relates to the Injury or Illness giving rise to the Plan's right of reimbursement or subrogation, until the Plan's right is satisfied or released.
- In the event You and/or Your agent or attorney fails to comply with any of these conditions, any such benefits advanced for any Illness or Injury may be recovered through legal action.
- Any benefits provided or advanced under the Plan are provided solely to assist You. By paying such benefits, neither the Plan nor the Claims Administrator is acting as a volunteer and is not waiving any right to reimbursement or subrogation.

Motor Vehicle Coverage

If You are involved in a motor vehicle accident, You may have rights both under motor vehicle insurance coverage and against a third-party who may be responsible for the accident. In that case, this right of reimbursement and subrogation provision still applies.

Workers' Compensation

Here are some rules which apply in situations where a workers' compensation claim has been filed:

- You must notify the Claims Administrator in writing within five days of any of the following:
 - filing a claim;
 - having the claim accepted or rejected;
 - appealing any decision;
 - settling or otherwise resolving the claim; or
 - any other change in status of Your claim.
- The Plan will expedite preauthorization during the interim period before workers' compensation initially accepts or denies Your work-related injury or occupational disease.
- If the entity providing workers' compensation coverage denies Your claim as a non-compensable workers' compensation claim and You have filed an appeal, benefits may be advanced for Covered Services if You agree to hold any recovery obtained in a segregated account for the Plan.

Fees and Expenses

Neither the Plan nor the Claims Administrator is liable for any expenses or fees incurred by You in connection with obtaining a recovery. However, You may request that a proportional share of attorney's fees and costs be paid at the time of any settlement or recovery to otherwise reduce the required reimbursement amount to less than the full amount of benefits paid under the Plan. The Claims Administrator has discretion whether to grant such requests.

Future Medical Expenses

Benefits for otherwise Covered Services may be excluded when You have received a recovery from another source relating to an Illness or Injury for which the Plan would normally provide benefits. However, the amount of any Covered Services excluded under this provision will not exceed the amount of Your recovery.

COORDINATION OF BENEFITS

If You are covered under any other individual or group medical contract or plan (referred to as "Other Plan" and defined below), the benefits under this Plan and those of the Other Plan will be coordinated in accordance with the provisions of this section.

Benefits Subject to this Provision

All of the benefits described in this Booklet are subject to this Coordination of Benefits provision.

Definitions

In addition to the definitions in the Definitions Section, the following are definitions that apply to this Coordination of Benefits Section:

Allowable Expense means, with regard to services that are covered in full or part by this Plan or any Other Plan(s) covering You, the amount on which that plan would base its benefit payment for a service, including Coinsurance or Copayments, if any, and without reduction for any applicable Deductible, except that the following are examples of expenses that are not an Allowable Expense:

- An expense or portion of an expense not covered by any of Your involved plans.
- The difference between the cost of a private Hospital room and the cost of a semiprivate Hospital room, unless one of Your involved plans provides coverage for private Hospital rooms.
- When this Plan restricts coordination of benefits to certain types of coverage or benefits, any expenses for other types of coverage or benefits. See the Benefits Subject to this Provision paragraph, above, for restrictions on the types of coverage or benefits to which coordination applies.
- Any amount by which a Primary Plan's benefits were reduced because You did not comply with that plan's provisions regarding second surgical opinion or precertification of services or failed to use a preferred provider (except, if the Primary Plan is a closed panel plan and does not pay because a nonpanel provider is used, the Secondary Plan (if it is not a closed panel plan) shall pay as if it were the Primary Plan).
- A Primary Plan's deductible, if the Primary Plan is a high-deductible health plan as defined in the Internal Revenue Code and the Claims Administrator is notified both that all plans covering a person are high-deductible health plans and that the person intends to contribute to a health savings account in accordance with the Internal Revenue Code.
- An expense that a provider is prohibited by law or contract from charging You.

When a plan provides benefits in the form of services, the reasonable cash value of each service provided will be considered both an Allowable Expense and a benefit paid.

Birthdate, for purposes of these coordination of benefits provisions, means only the day and month of birth, regardless of the year.

Claim Determination Period means a Calendar Year. However, a Claim Determination Period does not include any time when You were not enrolled under this Plan.

Custodial Parent means the parent awarded custody of a child by a court decree. In the absence of a court decree, the parent with whom the child resides more than one half of the Calendar Year without regard to any temporary visitation is the Custodial Parent.

Group-type Coverage is a coverage that is not available to the general public and can be obtained and maintained only because of membership in or connection with a particular organization or group, including blanket coverage. Group-type Coverage does not include an individually underwritten and issued guaranteed renewable coverage, even if the coverage is purchased through payroll deduction at a premium savings to the covered person.

Other Plan means any of the following with which this coverage coordinates benefits:

- Group, blanket, individual and franchise health insurance and prepayment coverage.
- Group, blanket, individual, and franchise health maintenance organization or other closed panel plan coverage.
- Group-type Coverage.
- Labor-management trust plan, union welfare plan, employer organization plan, and employee benefit organization plan coverage.
- Uninsured group or Group-type Coverage arrangements.
- Medical care components of group long-term care coverage, such as skilled nursing care.
- Hospital, medical, and surgical benefits of Medicare and other governmental coverages, as permitted by law.

Other Plan does not include:

- Independent noncoordinated hospital indemnity coverage or other fixed indemnity coverage.
- School accident-type coverage that covers students for accidents only, including athletic injuries, either on a 24 hour basis or a "to and from school basis";
- Group long-term care insurance for non-medical services (such as personal care, adult daycare, homemaker services, assistance with activities of daily living, respite care, and Custodial Care) or that pay a fixed daily benefit without regard to actual expenses incurred or services received.
- Accident only coverage.
- Specified disease or specified accident coverage.
- Medicare supplement coverage.
- A state plan under Medicaid, or a governmental plan that, by law, provides benefits that are excess to those of private insurance or other nongovernmental coverage.

Primary Plan means the plan that must determine its benefits for Your health care before the benefits of an Other Plan and without taking the existence of that Other Plan into consideration. (This is also referred to as that plan being "primary" to that Other Plan.) There may be more than one Primary Plan. A plan is a Primary Plan with regard to another plan in any of the following circumstances:

- The plan has no order of benefit determination provision;
- The plan is prohibited by law from using any order of benefits determination provision other than the one included herein and the plan contains a different order of benefit determination; or
- Both plans use the order of benefit determination provision included herein and under that provision the plan determines its benefits first.

Secondary Plan means a plan that is not a Primary Plan. You may have more than one Secondary Plan. If You are covered under more than one Secondary Plan, the order of benefit determination provision decides the order in which Your Secondary Plans' benefits are determined in relation to each other.

Year, for purposes of this Coordination of Benefits provision, means calendar year (January 1 through December 31).

Order of Benefit Determination

The order of benefit determination is identified by using the first of the following rules that applies:

Non-dependent Coverage: A plan that covers You other than as a dependent will be primary to a plan under which You are covered as a dependent.

Dependent Coverage: Except where the order of benefit determination is being identified among plans covering You as the dependent of Your parents who are separated or divorced and/or those parents' spouses, a plan that covers You as the dependent of Your parent whose Birthday occurs earlier in the Year will be primary over a plan that covers You as the dependent of Your parent whose Birthday occurs later in the Year. If both parents covering You as a dependent have the same Birthday, the plan of the parent who has been covered by his or her plan longer shall be primary to the plan of the parent who has been covered by his or her plan for a shorter period.

If a court decree specifies that Your parent is responsible for Your health care expenses or health care coverage and that parent's plan has actual knowledge of that term of the decree, the plan of that parent is primary to the plan of Your other parent. If the parent with that responsibility has no coverage for You, but that parent's spouse does and the spouse's plan has actual knowledge of that term in the decree, the plan of the spouse shall be primary to the plan of Your other parent. If benefits have been paid or provided by a Plan before it has actual knowledge of the term in the court decree, these rules do not apply until that Plan's next Calendar Year.

If a court decree awards joint custody of You without specifying that one of Your parents is responsible for Your health care expenses or health care coverage, a plan that covers You as the dependent of Your parent whose Birthday occurs earlier in the Year will be primary over a plan that covers You as the dependent of Your parent whose Birthday occurs later in the Year. If both parents have the same Birthday, the plan of the parent who has been covered by his or her plan longer shall be primary to the plan of the other parent. If the Other Plan does not contain this dependent rule, the Other Plan's dependent rule will govern.

If none of the above dependent rules identifies the order of benefits determination among plans covering You as the dependent of parents who are separated or divorced and/or those parents' spouses:

- The plan of Your custodial parent shall be primary to the plan of Your custodial parent's spouse;
- The plan of Your custodial parent's spouse shall be primary to the plan of Your noncustodial parent; and
- The plan of Your noncustodial parent shall be primary to the plan of Your noncustodial parent's spouse.

If You are covered under more than one plan of individuals who are not Your parents, the above Dependent Coverage rules shall be applied to determine the order of benefit determination as if those individuals were Your parents.

If You are covered under either or both of Your parents' plans and as a dependent under Your spouse's plan, the rule in the Longer/shorter length of coverage section below shall be applied to determine the order of benefit determination. If Your coverage under Your spouse's plan began on the same date as Your coverage under one or both of Your parents' plans, the order of benefit determination between or among those plans shall be determined by applying the birthday rule in the first paragraph of this Dependent Coverage section to Your parent(s) and spouse.

Active/inactive employees: A plan that covers You as an employee who is neither laid off nor retired (or as that employee's dependent) is primary to a plan under which You are covered as a laid off or retired employee (or as the dependent of a laid off or retired employee). If the Other Plan does not have this rule and if, as a result, the plans do not agree on the order of benefits, this rule will not apply.

Continuation coverage: A plan which covers You as an employee or retired employee, or as an employee's or retired employee's dependent, will be primary over a plan that is providing continuation coverage. If the Other Plan does not have this rule and if, as a result, the plans do not agree on the order of benefits, this rule will not apply.

Longer/shorter length of coverage: When none of the paragraphs above establishes an order of benefit determination, the benefits of the plan that has covered You for the longer period of time will be determined before the benefits of the plan that has covered You for the shorter period of time. To determine the length of time You have been covered under a plan, two plans will be treated as one if You were eligible under the second within 24 hours after the first ended. The start of a new plan does not include:

- a change in the amount or scope of a plan's benefits;
- a change in the entity that pays, provides or administers the plan's benefits; or
- a change from one type of plan to another (such as from a single-employer plan to that of a multiple employer plan).

Your length of time covered under a plan is measured from Your first date of coverage under that plan. If that date is not readily available for a group plan, the date You first became a member of the group will be used as the date from which to determine the length of time coverage under the present plan has been in force.

If an order of benefit determination is not identified by the preceding rules, the plans shall share equally in the Allowable Expenses.

Each of the plans under which You are covered, and each of the benefits within the plan, will be considered separately in administering this Coordination of Benefits provision.

Primary Health Plan Benefits

When, in accordance with the order of benefit determination, this coverage is the Primary Plan, the benefits in this Plan will be paid as if no Other Plan exists.

Secondary Health Plan Benefits

If, in accordance with the order of benefit determination, one or more Other Plans are primary to this Plan, the benefits in this Plan will be calculated as follows:

The benefits that would have been paid under this Plan for a service if this Plan were the Primary Plan will be calculated. The Allowable Expense under this Plan for that service will be compared to the Allowable Expense for it under the Other Plan(s) by which You are covered. This Plan will pay the lesser of:

- the unpaid charges for the service, up to the higher (highest) Allowable Expenses among the involved plans; and
- the benefits that would have been paid under this Plan for the service if this Plan were the Primary Plan.

Deductibles, Coinsurance and Copayments, if any, under this Plan will be used in the calculation of the benefits that would have been paid if this were the Primary Plan, but they will not be applied to the unpaid charges You owe after the Primary Plan's payment. This Plan's payment therefore will be reduced so that it, when combined with the Primary Plan's payment, does not exceed the higher (highest) Allowable Expense among the involved plans and any amount that would have been credited to the Deductible if this Plan had been the only plan will be credited toward any Deductible under this Plan.

If this Plan is the Secondary Health Plan according to the order of benefit determination and any Other Plan(s) claim to be "always secondary" or use order of benefit determination rules inconsistent with those in this Plan, this Plan will pay its benefits first, but the amount paid will be calculated as if this Plan is a Secondary Health Plan. If the Other Plan(s) do not provide the Claims Administrator with the information necessary for them to determine appropriate secondary benefits payment within a reasonable time after their request, it will be assumed their benefits are identical to this Plan's and benefits under this Plan will be paid accordingly, subject to adjustment upon receipt of the information requested from the Other Plan(s) within two years of this Plan's payment.

Nothing contained in this Coordination of Benefits provision requires this Plan to pay for all or part of any service that is not covered under this coverage. Further, in no event will this Coordination of Benefits provision operate to increase payment over what would have been paid under this Plan in the absence of this Coordination of Benefits provision.

In the event federal law makes Medicare primary to this Plan and You are covered under both this Plan and a Medicare Supplement plan, the Medicare Supplement plan also will be primary to this Plan. In that event, the benefits of this Plan will be reduced by the payments of Medicare and the Medicare Supplement plan.

Right to Receive and Release Needed Information

Certain facts are needed to apply coordination of benefits provisions. The Claims Administrator has the right to decide which facts they need. The Claims Administrator may get needed facts from, or give them to, any other organization or person as permitted by law, and need not tell or get the consent of any person to do this. You will promptly furnish to the Claims Administrator any information necessary or

appropriate to administer this Coordination of Benefits provision. Receipt of such information by the Claims Administrator will be a condition precedent to this Plan's obligation to provide benefits.

Facility of Payment

Any payment made under any Other Plan(s) may include an amount that should have been paid under this Plan. If so, that amount may be paid under this Plan to the organization that made the payment. That amount will then be treated as though it were a benefit paid under this Plan. That amount will not have to be paid under this Plan again. The term "payment made" includes providing benefits in the form of services, in which case payment made means reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If benefits under this Plan were provided to or on behalf of You in excess of the amount that would have been payable under this Plan by reason of Your coverage under any Other Plan(s), this Plan will be entitled to a recovery from You, Your assignee or beneficiary, or from the Other Plan(s) upon request.

A Secondary Plan that provides benefits in the form of services may recover the reasonable cash value of the services from the Primary Plan to the extent that benefits for the services are covered by the Primary Plan and have not already been paid or provided by it.

Resolving Your Concerns

If You believe a policy, action or decision is incorrect, please contact the Claims Administrator's Customer Service department at 1 (866) 240-9580.

If You have concerns regarding a decision, action or statement by Your Provider, the Plan encourages You to discuss these concerns with the Provider. If You remain dissatisfied after discussing Your concern with Your Provider, You may contact the Claims Administrator's Customer Service department for assistance.

The Plan's Grievance process is designed to help You resolve Your complaint or concern and to allow You to appeal an Adverse Benefit Determination. The Plan offers two internal levels of appeal of the Plan's Adverse Benefit Determinations. The first internal level of appeal is handled by the Claims Administrator, and the second level of appeal is handled by Northwest Administrators, Inc. The Plan also offers an external appeal with an Independent Review Organization (IRO) for some of the Plan's Adverse Benefit Determinations if You remain dissatisfied with the Claims Administrator or Northwest Administrators, Inc. Internal Appeal decisions. Please see External Appeal - IRO later in this section for more information.

Each level of Internal Appeal, including expedited appeals, must be pursued within 180 days of Your receipt of the Plan's determination (or, in the case of a first level appeal, within 180 days of Your receipt of the Claims Administrator's original adverse decision that You are appealing). If You don't act within this time period, You will not be able to continue to pursue the appeal process and may jeopardize Your ability to pursue the matter in any forum. When an appeal request is received, the Claims Administrator or Northwest Administrators, Inc. will acknowledge it in writing.

You have two levels of review within the Internal Appeal process. Appeals are reviewed by an employee or employees who were not involved in, or subordinate to anyone involved in, the initial decision that You are appealing. In appeals that involve issues requiring medical judgment, the decision is made by a staff of health care professionals. You or Your Representative may submit written materials supporting Your appeal, including written testimony on Your behalf. For Post-Service appeals, a written notice of the decision will be sent within 30 days of receipt of the appeal. For appeals involving a Pre-Service issue, a written notice of the decision will be sent within 15 days of receipt of the appeal.

If You or Your treating Provider determines that Your health could be jeopardized by waiting for a decision under the regular appeal process, You or Your Provider may specifically request an expedited appeal. Please see Expedited Appeals later in this section for more information.

You are entitled to receive continued coverage of the disputed item or service pending the conclusion of the Internal Appeal process. However, You will be responsible for any amounts the Plan pays for the item or service during this time should You not prevail.

You may contact the Claims Administrator either in writing or verbally with a Grievance or to request an appeal. A written request can be made by sending it to the Claims Administrator at: Appeals and Correspondence, Regence BlueCross BlueShield of Oregon, P.O. Box 2998, Tacoma, WA 98401-2998 or facsimile 1 (877) 663-7526. Verbal requests can be made by calling the Claims Administrator at 1 (866) 240-9580. The Claims Administrator will acknowledge receipt of a Grievance or an appeal within seven days of receiving it.

EXTERNAL APPEAL - IRO

You have the right to an external review by an Independent Review Organization (IRO). An appeal to an IRO is available only after You have exhausted the Internal Appeal process (or the Claims Administrator or Northwest Administrators, Inc. has mutually agreed to waive exhaustion, You are deemed to have exhausted the Internal Appeal process because the Claims Administrator or Northwest Administrators, Inc. failed to strictly comply with state and federal requirements for Internal Appeals, or You request expedited external appeal at the same time You request expedited Internal Appeal). **The Plan is bound by the decision of the IRO and may be penalized by the Department of Consumer**

and Business Services if the Plan fails to comply with the IRO's decision. You have the right to sue the Plan if the decision of the IRO is not implemented.

The issue being submitted to the IRO for external review must be a dispute over an Adverse Benefit Determination the Claims Administrator or Northwest Administrators, Inc. has made concerning whether a course or plan of treatment is:

- Medically Necessary;
- experimental or Investigational;
- part of an active course of treatment for purposes of continuity of care; or
- delivered in an appropriate health care setting at the appropriate level of care.

The Plan coordinates external appeals, but the decision is made by an IRO at no cost to You. The Plan will provide the IRO with the appeal documentation. You may submit additional information to the IRO within five business days after You receive notice of the IRO's appointment. The IRO will make its decision within 30 days after You apply for external review. Written notice of the IRO decision will be sent to You by the IRO within five days of the decision. The Plan is bound by the decision made by the IRO, even if it conflicts with the Plan's definition of Medical Necessity.

External review can be initiated through a written or verbal request. A written request can be made by sending it to Northwest Administrators, Inc., Attn: Kate Carroll, P.O. Box 12267, Seattle, WA 98102 or facsimile (206) 926-2827. Verbal requests can be made by calling Northwest Administrators, Inc. at 1 (844) 203-0239. Northwest Administrators, Inc. must notify the Department of Consumer and Business Services of Your request by the second business day after Northwest Administrators, Inc. receives it.

You may also initiate an external appeal by submitting Your request to the Director of the Department of Consumer and Business Services at P.O. Box 14480, Salem, OR 97309-0405.

In order to have the appeal decided by an IRO, You must sign a waiver granting the IRO access to medical records that may be required to be reviewed for the purpose of reaching a decision on the external appeal.

If You want more information regarding IRO review, please contact Claims Administrator's Customer Service department at 1 (866) 240-9580. You can also contact the Oregon Insurance Division by calling (503) 947-7984 or the toll free message line at 1 (888) 877-4894; by writing to the Oregon Insurance Division, Consumer Advocacy Unit, P.O. Box 14480, Salem, OR 97309-0405; through the Internet at: www.oregon.gov/DCBS/insurance/gethelp/Pages/fileacomplaint.aspx; or by E-mail at: cp.ins@state.or.us.

Exercise of Your right to IRO review is at Your option. Alternatively, You may use another forum as the final level of appeal, including, but not limited to, civil action under Section 502(a) of ERISA, where applicable, or under a state statute or rule.

EXPEDITED APPEALS

An expedited appeal is available in clinically urgent situations if:

- the Adverse Benefit Determination concerns an admission, the availability of care, a continued stay, or a health care service for a medical condition for which You received emergency services, and You have not yet been discharged from a health care facility;
- a Provider with whom You have an established clinical relationship certifies in writing and provides supporting documentation that the ordinary time period for external review would seriously jeopardize Your life or health or Your ability to regain maximum function; or
- according to a Physician with knowledge of Your medical condition, the regular appeals timeframe would subject You to severe pain that cannot be adequately managed without the disputed care or treatment.

Internal Expedited Appeal

You have one level of internal review within the Internal Expedited Appeal process. Internal expedited appeals can be initiated through either written or verbal request. A written request can be made by

sending it to the Claims Administrator at: Appeals and Correspondence, Regence BlueCross BlueShield of Oregon, P.O. Box 2998, Tacoma, WA 98401-2998 or facsimile 1 (877) 663-7526. Verbal requests can be made by calling the Claims Administrator at 1 (866) 240-9580.

The internal expedited appeal request should state the need for a decision on an expedited basis and must include documentation necessary for the appeal decision. Internal expedited appeals are reviewed by an employee or employees, the members of which were not involved in, or subordinate to anyone involved in, any initial denial determination. You or Your Representative, on Your behalf, will be given the opportunity (within the constraints of the expedited appeals timeframe) to provide written materials, including written testimony on Your behalf. Verbal notice of the decision will be provided to You and Your Representative as soon as possible after the decision, but not later than 72 hours after receipt of the expedited appeal. This will be followed by written notification within three days of the verbal notice.

External Expedited Appeal - IRO

If You disagree with the decision made in the internal expedited appeal, You may request an external expedited appeal to an IRO if:

- the Adverse Benefit Determination concerns an admission, the availability of care, a continued stay, or a health care service for a medical condition for which You received emergency services, and You have not yet been discharged from a health care facility;
- a Provider with whom You have an established clinical relationship certifies in writing and provides supporting documentation that the ordinary time period for external review would seriously jeopardize Your life or health or Your ability to regain maximum function; or
- according to a Physician with knowledge of Your medical condition, the regular appeals timeframe would subject You to severe pain that cannot be adequately managed without the disputed care or treatment.

The issues an IRO will consider are the same as described in the External Appeal – IRO section. You may request an external expedited review at the same time You request an internal expedited appeal from the Northwest Administrators, Inc.

External expedited appeals can be initiated through either written or verbal request. A written request can be made by sending it to the Northwest Administrators, Inc., Attn: Kate Carroll, P.O. Box 12267, Seattle, WA 98102 or facsimile (206) 926-2827. Verbal requests can be made by calling Northwest Administrators, Inc. at 1 (844) 203-0239. Northwest Administrators, Inc. must notify the Department of Consumer and Business Services of Your request by the second business day after the Northwest Administrators, Inc. receives it.

You may also request an external expedited appeal by submitting Your request to the Director of the Department of Consumer and Business Services at P.O. Box 14480, Salem, OR 97309-0405.

Northwest Administrators, Inc. coordinates external expedited appeals, but the decision is made by an IRO at no cost to You. In order to have the expedited appeal decided by an IRO, You must sign a waiver granting the IRO access to medical records that may be required to be reviewed for the purpose of reaching a decision on the expedited appeal. Northwest Administrators, Inc. will provide the IRO with the expedited appeal documentation. You may submit additional information to the IRO no later than 24 hours after the appointment of the IRO. Verbal notice of the IRO's decision will be provided to You and Your Representative as soon as possible after the decision, but no later than within 72 hours of Your request. The IRO decision is binding, except to the extent other remedies are available under state or federal law.

Exercise of Your right to IRO review is at Your option. Alternatively, You may use another forum as the final level of expedited appeal, including, but not limited to, civil action under Section 502(a) of ERISA, where applicable.

DEFINITIONS SPECIFIC TO THE GRIEVANCE AND APPEAL PROCESS

Adverse Benefit Determination means the Claims Administrator or Northwest Administrators, Inc.'s denial, reduction or termination of a health care item or service, or the Plan's failure or refusal to provide or to make a payment in whole or in part for a health care item or service, that is based on:

- Denial of eligibility for or termination of enrollment;
- Rescission or cancellation of a policy;
- Imposition of a preexisting condition exclusion, source-of-injury exclusion, network exclusion, annual benefit limit or other limitation on otherwise covered items or services;
- Determination that a health care item or service is experimental, Investigational or not Medically Necessary, effective or appropriate; or
- Determination that a course or plan of treatment that You are undergoing is an active course of treatment for purposes of continuity of care.

Grievance means a submission by You or Your authorized Representative that either is a written or oral request for Internal Appeal or external review (including expedited appeal or review), or is a written complaint regarding:

- health care service availability, delivery, or quality;
- payment, handling, or reimbursement of a health care service claim; or
- contractual matters between You and the Plan.

Independent Review Organization (IRO) is an independent Physician review organization which acts as the decision-maker for external appeals and external expedited appeals, through an independent contractor relationship with the Plan and/or through assignment to the Plan via state regulatory requirements. The IRO is unbiased and is not controlled by the Plan.

Internal Appeal means a review by the Claims Administrator or Northwest Administrator Inc. of an Adverse Benefit Determination made by the Claims Administrator or Northwest Administrator Inc.

Medical Director means for purposes of this section, a Physician employed by, or consulted by, the Claims Administrator or Northwest Administrator Inc. The Medical Director will reserve the right, if not appropriately qualified to review a particular procedure, to consult with an outside Practitioner with specialty in the medical condition/procedure involved in the review.

Post-Service means any claim for benefits under the Plan that is not considered Pre-Service.

Pre-Service means any claim for benefits under the Plan which must approve in advance, in whole or in part, in order for a benefit to be paid.

Representative means someone who represents You for the purpose of a Grievance. The Representative may be Your personal Representative or a treating Provider. It may also be another party, such as a family member, as long as You or Your legal guardian authorize in writing, disclosure of personal

information for the purpose of the Grievance. No authorization is required from the parent(s) or legal guardian of a Claimant who is an unmarried and dependent child and is less than 13 years old. For expedited appeals only, a health care professional with knowledge of Your medical condition is recognized as Your Representative. Even if You have previously designated a person as Your Representative for a previous matter, an authorization designating that person as Your Representative in a new matter will be required (but redesignation is not required for a complaint that becomes an appeal or between each level of appeal). If no authorization exists and is not received in the course of the Grievance, the determination and any personal information will be disclosed to You, Your personal Representative or treating Provider only.

Who Is Eligible, How to Enroll and When Coverage Begins

Please contact the Plan Sponsor for the eligibility addendum which contains the terms of eligibility under the Plan. It explains how to enroll Yourself and/or Your eligible dependents when first eligible, during a period of special enrollment or during an annual enrollment period. It also describes when coverage under the Plan begins for You and/or Your eligible dependents. Of course, payment of any corresponding monthly costs is required for coverage to begin on the indicated dates.

When Coverage Ends

Please contact the Plan Sponsor for the eligibility addendum which describes the situations when coverage will end for You and/or Your Beneficiaries under the Plan.

COBRA Continuation of Coverage

COBRA is a continuation of this coverage for a limited time after certain events cause a loss of eligibility. COBRA continuation does not apply to all groups.

If the Plan is subject to COBRA, COBRA continuation is available to Your Beneficiaries if they lose eligibility because:

- Your employment is terminated (unless the termination is for gross misconduct);
- Your hours of work are reduced;
- You die;
- You and Your spouse divorce or the marriage is annulled;
- You and Your domestic partner terminate the domestic partnership;
- You become entitled to Medicare benefits; or
- Your Beneficiary loses eligibility as a child under this coverage.

COBRA also is available to You if You lose eligibility because Your employment terminates (other than for gross misconduct) or Your hours of work are reduced. (A special COBRA continuation also applies to You and Your Beneficiaries under certain conditions if You are retired and the Trust files for bankruptcy.)

There are some circumstances involving disability or the occurrence of a second one of these events that can result in extension of the limited period of continuation following a termination of employment or reduction in working hours. COBRA also can terminate earlier than the maximum periods.

General Rules

Generally, You or Your Beneficiaries are responsible for payment of the full cost for COBRA continuation coverage, plus an administration fee, even if the Plan Sponsor contributes toward the cost of those not on COBRA continuation. The administration fee is 2 percent or, during any period of extension for disability, 50 percent.

In order to preserve Your and Your Beneficiary's rights under COBRA, You or Your Beneficiaries must inform the Plan Sponsor in writing within 60 days of:

- Your divorce or annulment, termination of domestic partnership or a loss of eligibility of a child;
- Your initial loss of eligibility due to Your termination of employment or reduction in working hours and You experience another one of the events listed above; or
- a Social Security disability determination that You or Your Beneficiary was disabled for Social Security purposes at the time of a termination of employment or reduction in working hours or within the first 60 days of COBRA continuation following that event. (If a final determination is later made that You or Your Beneficiary is no longer disabled for Social Security purposes, You or Your Beneficiary must provide the Plan Sponsor notice of that determination within 30 days of the date it is made.)

The Plan Sponsor also must meet certain notification, election and payment deadline requirements. It is therefore very important that You keep the Plan Sponsor informed of the current address of all Claimants who are or may become qualified beneficiaries.

If You or Your Beneficiaries do not elect COBRA continuation coverage, coverage under the Plan will end according to the terms described in the Booklet and claims under the Plan for services provided on and after the date coverage ends will not be paid. Further, this may jeopardize Your or Your Beneficiaries' future eligibility for an individual plan.

Notice

The complete details on the COBRA Continuation provisions outlined here are available from the Plan Sponsor.

Other Continuation Options

This section describes situations when coverage may also be extended for You and/or Your Beneficiaries beyond the date of termination.

Reenrolling After Layoff

If You are rehired and return to active work within nine months of being laid off, You and any previously enrolled Beneficiaries may reenroll under the Plan on the date You are rehired, regardless of any lapse in coverage. The Plan Sponsor must notify the Claims Administrator that You are being rehired following a layoff and the necessary payment for Your coverage must be made. All Plan provisions will resume at the time You reenroll whether or not there was a lapse in Your coverage. Any exclusion period You did not complete at the time You were laid off must be satisfied. However, the period of Your layoff will be counted toward the exclusion period. At the time You are rehired, You do not have to re-satisfy any group eligibility waiting period required under the Plan.

Strike or Lockout

If You are employed under a collective bargaining agreement and involved in a work stoppage because of a strike or lockout, Your coverage can be continued for up to six months. You must pay the full payment due, including any part usually paid by the Plan Sponsor, directly to the union or trust that represents You. And the union or trust must continue to make payments to the Claims Administrator according to the Agreement. Coverage cannot be continued if less than 75 percent of those normally enrolled continue coverage or if You otherwise lose eligibility under the Plan. This six months of continued coverage is in lieu of and not in addition to any continuation of coverage provisions of the Plan.

Workers' Compensation Claim

If You are no longer eligible due to an Illness or Injury for which You have filed a Workers' Compensation claim, You can continue coverage for up to six months after Your eligibility ends, or until You obtain full-time employment with another employer, whichever happens first. You must make payment of premiums for the coverage to the Plan Sponsor within its established timeframe in order to maintain coverage during this period. This six months of continued coverage is in lieu of and not in addition to any continuation of coverage provisions of the Plan.

General Provisions

This section explains various general provisions regarding Your benefits under this coverage.

CHOICE OF FORUM

Any legal action arising out of the Plan benefit option described herein must be filed in a court in the state of Oregon.

GOVERNING LAW AND DISCRETIONARY LANGUAGE

The Plan will be governed by and construed in accordance with the laws of the United States of America and by applicable laws of the state of Oregon without regard to its conflict of law rules. The Plan Administrator, the Plan Sponsor, delegates the Claims Administrator discretion for the purpose of paying benefits under this coverage only if it is determined that You are entitled to them and of interpreting the terms and conditions of the plan. Final determinations pursuant to this reservation of discretion do not prohibit or prevent a claimant from seeking judicial review of those determinations in federal court. The reservation of discretion made under this provision only establishes the scope of review that a court will apply when You seek judicial review of a determination of the entitlement to and payment of benefits or interpretation of the terms and conditions applicable to the plan. The Claims Administrator is not the Plan Administrator, but does provide claims administration under the Plan, and the court will determine the level of discretion that it will accord determinations.

PLAN SPONSOR IS AGENT

The Plan Sponsor is Your agent for all purposes under the Plan and not the agent of Regence BlueCross BlueShield of Oregon. You are entitled to health care benefits pursuant to the Plan. In the Agreement, the Plan Sponsor agrees to act as agent for You in acknowledging Your agreement to the terms, provisions, limitations and exclusions contained in the Booklet. You, through the enrollment form signed by the Trust member, and as beneficiaries of the Plan, acknowledge and agree to the terms, provisions, limitations and exclusions described in this Booklet.

NO WAIVER

The failure or refusal of either party to demand strict performance of the Plan or to enforce any provision will not act as or be construed as a waiver of that party's right to later demand its performance or to enforce that provision. No provision of the Plan will be considered waived unless such waiver is reduced to writing and signed by one of the Plan Sponsor's authorized officers.

NOTICES

Any notice to Claimants or to the Plan Sponsor required in the Plan will be considered to be properly given if written notice is deposited in the United States mail or with a private carrier. Notices to a Trust member or to the Plan Sponsor will be addressed to the Trust member or to the Plan Sponsor at the last known address appearing in the Claims Administrator's records. If the Claims Administrator receives a United States Postal Service change of address form (COA) for a Trust member, it will update its records accordingly. Additionally, the Claims Administrator may forward notice for a Trust member to the Plan Administrator or Plan Sponsor if it becomes aware that it doesn't have a valid mailing address for the Trust member. Any notice to the Claims Administrator required in the Agreement may be given by mail addressed to: Regence BlueCross BlueShield of Oregon, P.O. Box 2998, Tacoma, WA 98401-2998; provided, however that any notice to the Claims Administrator will not be considered to have been given to and received by it until physically received.

RELATIONSHIP TO BLUE CROSS AND BLUE SHIELD ASSOCIATION

The Plan Sponsor on behalf of itself and its Claimants expressly acknowledges its understanding that the Agreement constitutes an agreement solely between the Plan Sponsor and Regence BlueCross BlueShield of Oregon, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans (the Association), permitting Regence to use the Blue Cross and Blue Shield Service Marks in the state of Oregon and in Clark County in the state of Washington and that Regence is not contracting as the agent of the Association. The Plan Sponsor on behalf of itself and its Claimants further acknowledges and agrees that it has not entered into the Agreement based upon representations by any person or entity other than Regence and that no person or entity other than Regence will be held accountable or liable to the Plan Sponsor or the Claimants for any of Regence's obligations to the Plan Sponsor or the Claimants created under the Agreement. This paragraph will not create any additional obligations whatsoever on the part of Regence other than those obligations created under other provisions of the Agreement.

REPRESENTATIONS ARE NOT WARRANTIES

In the absence of fraud, all statements You make in an enrollment form will be considered representations and not warranties. No statement made for the purpose of obtaining coverage will void such coverage or reduce benefits unless contained in a written document signed by You, a copy of which is furnished to You.

WHEN BENEFITS ARE AVAILABLE

In order for health expenses to be covered under the Plan, they must be incurred while coverage is in effect. Coverage is in effect when all of the following conditions are met:

- the person is eligible to be covered according to the eligibility provisions described in the Plan Document; and
- the person has enrolled in coverage and has been enrolled by the Claims Administrator.

The expense of a service is incurred on the day the service is provided and the expense of a supply is incurred on the day the supply is delivered to You, provided, however, when the Agreement is terminated and coverage for all Claimants under the Plan is immediately replaced by another group agreement and You are in the Hospital on the day this coverage ends, the Plan will continue to provide benefits for that hospitalization until Your discharge from the Hospital or Your benefits have been exhausted, whichever comes first. (This exception does not apply to a Skilled Nursing Facility or any other type of facility, except a Hospital.)

WOMEN'S HEALTH AND CANCER RIGHTS

If You are receiving benefits in connection with a Mastectomy and You, in consultation with Your attending Physician, elect breast reconstruction, coverage under the Plan will be provided (subject to the same provisions as any other benefit) for:

- reconstruction of the breast on which the Mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance;
- prosthesis and treatment of physical complications of all stages of Mastectomy, including lymphedemas.; and
- inpatient care related to the Mastectomy and post-Mastectomy services.

Definitions

The following are definitions of important terms used in this Booklet. Other terms are defined where they are first used.

Affiliate means a company with which the Claims Administrator has a relationship that allows access to providers in the state in which the Affiliate serves and includes the following companies: Regence BlueShield of Idaho in the state of Idaho, Regence BlueCross BlueShield of Utah in the state of Utah and Regence BlueShield in parts of the state of Washington.

Allowed Amount means:

- For preferred and participating Providers (see definitions of "Category 1" and "Category 2" below), the amount that they have contractually agreed to accept as payment in full for a service or supply.
- For nonparticipating Providers (see definition of "Category 3" below) who are not accessed through the BlueCard Program, the amount the Claims Administrator has determined to be Reasonable Charges for Covered Services or supplies. The Allowed Amount may be based upon the billed charges for some services, as determined by the Claims Administrator or as otherwise required by law.
- For nonparticipating Providers (see definition of "Category 3" below) accessed through the BlueCard Program, the lower of the Provider's billed charges and the amount that the Host Blue identifies to the Claims Administrator as the amount on which it would base a payment to that Provider.

Charges in excess of the Allowed Amount are not considered Reasonable Charges and are not reimbursable. For questions regarding the basis for determination of the Allowed Amount, please contact the Claims Administrator.

Ambulatory Surgical Center means a facility or that portion of a facility licensed by the state in which it is located, that operates exclusively for the purpose of providing surgical services to patients who do not require hospitalization and for whom the expected duration of services does not exceed 24 hours following admission. Ambulatory Surgical Center does not mean: 1) individual or group practice offices of private Physicians or dentists that do not contain a distinct area used for outpatient surgical treatment on a regular and organized basis, or that only provide surgery routinely provided in a Physician's or dentist's office using local anesthesia or conscious sedation; or 2) a portion of a licensed Hospital designated for outpatient surgical treatment.

Beneficiary means a Trust member's eligible dependent who is listed on the Trust member's completed enrollment form and who is enrolled under the Plan.

Booklet is the description of the benefits for this coverage. The Booklet is part of the Agreement between the Plan Sponsor and the Claims Administrator.

Calendar Year means the period from January 1 through December 31 of the same year; however, the first Calendar Year begins on the Claimant's Effective Date.

Category 1 means the benefit reimbursement level for services that are received from a Provider who has an effective participating contract with the Claims Administrator or one of the Claims Administrator's Affiliates which designates him, her or it as a preferred Provider as well as Providers outside the area that the Claims Administrator or one of the Claims Administrator's Affiliates serves, but who have contracted with another Blue Cross and/or Blue Shield organization in the BlueCard Program (designated as a Provider in the "Preferred Provider Organization ("PPO") Network") to provide services and supplies to Claimants in accordance with the provisions of this coverage. Category 1 reimbursement is generally at the highest payment level and You will not be charged for balances beyond any Deductible and/or Coinsurance for Covered Services.

Category 2 means the benefit reimbursement level for services that are received from a Provider who has an effective participating contract with the Claims Administrator or one of the Claims Administrator's Affiliates, which designates him, her or it as a participating Provider as well as Providers outside the area that or one of the Claims Administrator's Affiliates serves, but who have contracted with another Blue

Cross and/or Blue Shield organization in the BlueCard Program (designated as a Provider in the "Participating Network") to provide services and supplies to Claimants in accordance with the provisions of this coverage. Category 2 reimbursement is generally a lower payment level than Category 1, but You will not be charged for balances beyond any Deductible and/or Coinsurance for Covered Services.

Category 3 means the benefit reimbursement level for services that are received from a Provider who does not have an effective participating contract with the Claims Administrator or one of the Claims Administrator's Affiliates to provide services and supplies to Claimants. Category 3 reimbursement is generally the lowest payment level of all categories, and You may be billed for balances beyond any Deductible and/or Coinsurance for Covered Services.

Claimant means a Trust member or a Beneficiary.

Covered Service means a service, supply, treatment or accommodation that is listed in the benefits sections in this Booklet.

Custodial Care means care that is for the purpose of watching and protecting a patient, rather than being a Health Intervention. Custodial Care includes care that helps the patient conduct activities of daily living that can be provided by a person without medical or paramedical skills and/or is primarily for the purpose of separating the patient from others or preventing self-harm.

Dental Services means services or supplies (including medications) provided to prevent, diagnose, or treat diseases or conditions of the teeth and adjacent supporting soft tissues, including treatment that restores the function of teeth.

Effective Date means the date Your coverage under the Agreement begins after acceptance for enrollment under the Plan.

Emergency Medical Condition means a medical condition that manifests itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson who has an average knowledge of medicine and health would reasonably expect the absence of immediate medical attention at a Hospital emergency room to result in any one of the following:

- placing the Claimant's health, or with respect to a pregnant Claimant, her health or the health of her unborn child, in serious jeopardy;
- serious impairment to bodily functions; or
- serious dysfunction of any bodily organ or part.

Family means a Trust member and his or her Beneficiaries.

Health Benefit Plan means any Hospital-medical-surgical expenses policy or certificate including any benefit plan provided by a multiple employer welfare arrangement or by another benefit arrangement, as defined in the Federal Employee Retirement Income Security Act of 1974 as amended (ERISA).

Health Intervention is a medication, service or supply provided to prevent, diagnose, detect, treat or palliate the following: disease, illness, injury, genetic or congenital anomaly, pregnancy or biological or psychological condition that lies outside the range of normal, age-appropriate human variation; or to maintain or restore functional ability. A Health Intervention is defined not only by the intervention itself, but also by the medical condition and patient indications for which it is being applied.

Health Outcome means an outcome that affects health status as measured by the length or quality of a person's life. The Health Intervention's overall beneficial effects on health must outweigh the overall harmful effects on health.

Hospital means a facility that is licensed as a general acute or specialty Hospital by the state in which the Hospital is located. A Hospital provides continuous 24-hour nursing services by registered nurses. A Hospital has an attending medical staff consisting of one or more Physicians. A Hospital under this definition is not, other than incidentally, a place for rest, a nursing home or a facility for convalescence.

Illness means a congenital malformation that causes functional impairment; a condition, disease, ailment or bodily disorder, other than an Injury; and pregnancy. Illness does not include any state of mental health or mental disorder which is otherwise defined in the Mental Health or Substance Use Disorder Services section.

Injury means physical damage to the body inflicted by a foreign object, force, temperature or corrosive chemical or that is the direct result of an accident, independent of Illness or any other cause. An Injury does not mean Injury to teeth due to chewing and does not include any condition related to pregnancy.

Investigational means a Health Intervention that fails to meet any of the following criteria:

- If a medication or device, the Health Intervention must have final approval from the United States Food and Drug Administration as being safe and efficacious for general marketing. However, if a medication is prescribed for other than its FDA-approved use and is recognized as effective for the use for a particular diagnosed condition, benefits for the medication may be provided when so used. To be considered effective for other than its FDA-approved use, the Oregon Health Evidence Review Commission must have determined that the medication is effective for the treatment of that condition.
- The Scientific Evidence must permit conclusions concerning the effect of the Health Intervention on Health Outcomes, which include the disease process, Injury or Illness, length of life, ability to function and quality of life.
- The Health Intervention must improve net Health Outcome.
- The Scientific Evidence must show that the Health Intervention is as beneficial as any established alternatives.
- The improvement must be attainable outside the laboratory or clinical research setting.

In applying the above criteria, the Claims Administrator will review Scientific Evidence from well-designed clinical studies found in peer-reviewed medical literature, if available, and information obtained from the treating Physician or Practitioner regarding the Health Intervention.

Lifetime means the entire length of time a Claimant is covered under the Plan (which may include more than one coverage) through the Plan Sponsor with the Claims Administrator.

Medically Necessary or Medical Necessity means health care services or supplies that a Physician or other health care Provider, exercising prudent clinical judgment, would provide to a patient for the purpose of preventing, evaluating, diagnosing or treating an Illness, Injury, disease or its symptoms, and that are:

- in accordance with generally accepted standards of medical practice;
- clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's Illness, Injury or disease; and
- not primarily for the convenience of the patient, Physician or other health care Provider, and not more costly than an alternative service or sequence of services or supply at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's Illness, Injury or disease.

For these purposes, "generally accepted standards of medical practice" means standards that are based on credible Scientific Evidence published in Peer-Reviewed Medical Literature generally recognized by the relevant medical community, Physician Specialty Society recommendations and the views of Physicians and other health care Providers practicing in relevant clinical areas and any other relevant factors.

Physician means an individual who is duly licensed to practice medicine and surgery in all of its branches or to practice as an osteopathic Physician and surgeon. Physician also includes a podiatrist practicing within the scope of a license issued under ORS 677.805 to 677.840.

Practitioners include podiatrists who do not meet the definition of Physician, Physician's assistants, psychologists, licensed clinical social workers, certified nurse Practitioners, registered physical, occupational, speech or audiological therapists; registered nurses or licensed practical nurses, (but only for services rendered upon the written referral of a doctor of medicine or osteopathy, and only for those services for which nurses customarily bill patients), dentists (doctor of

medical dentistry or doctor of dental surgery, or a denturist) and other health care professionals practicing within the scope of their respective licenses.

Provider means a Hospital, Skilled Nursing Facility, Ambulatory Surgical Center, Physician, Practitioner or other individual or organization which is duly licensed to provide medical or surgical services.

Reasonable Charges means an amount, determined by the Claims Administrator, that falls within the range of average payments they make to Providers, who have an effective participating contract with them, for the same or similar service or supply in the Claims Administrator's service area.

Rehabilitation Facility means a facility or distinct part of a facility that is licensed as a Rehabilitation Facility by the state in which it is located and that provides an intensive, multidisciplinary approach to rehabilitation services under the direction and supervision of a Physician.

Regence refers to Regence BlueCross BlueShield of Oregon.

However, Scientific Evidence shall not include published peer-reviewed literature sponsored to a significant extent by a pharmaceutical manufacturing company or medical device manufacturer or a single study without other supportable studies.

Skilled Nursing Facility means a facility or distinct part of a facility which is licensed by the state in which it is located as a nursing care facility and which provides skilled nursing services by or under the direction and supervision of a registered nurse.
